Orange City Area Health System

# Available Position Description

**Position:** Senior Care Nurse Assistant

**Description:** The Nurse Assistant provides personal and supportive care to residents in the nursing home.

**Number of Hours:** Part-time: 15 - 30 hours/week

**Schedule:** Evening shifts (beginning between 2 pm & 4:30 pm and ending between 9 pm & 10 pm.) Includes day shift every other weekend and holiday.

**Educational Requirements:** He/she must be a Certified Nurse Assistant or be willing to complete the 75 hours Nurse Assistant Course. This does not need to be done in order to apply, but must be done within four months of employment. If the selected candidate has not taken the course, the Orange City Area Health System will enroll the individual in the next class and pay the tuition.

**Other:** Must be reliable and prompt. Must have a kind heart and patient courteous manner. Must desire to develop relationships with the residents in the nursing home. The applicant must be willing to work in both Senior Care units (Heritage House and Long Term Care). Must work in cooperation with team members.
