

Available Position Description

Position: Same Day Surgery/ Recovery Room Nurse

Description: The RN delivers care to same day surgical patients. He/she will provide pre-operative assessments, post-operative cares, patient teaching, post-anesthetic recovery care and will also assist with endoscopy procedures. He/she will be a team member of the surgical staff and will report to the Surgical Services Nurse Manager.

Number of Hours: Casual with potential for part-time

Schedule: Variable, based on same day surgery schedule. Could be 4, 8 or 12 hour shifts – mostly day shift hours with some evenings. No call or weekend hours required.

Educational Requirements: RN licensure in the state of Iowa.

Other: Med-Surg and/or Surgery experience required.
