I ask that my Proxy (whose name is above) have access to my complete medical and/or health insurance record including My Sanford Chart and any medical record sharing platforms linked to My Sanford Chart. I understand the data in My Sanford Chart may include medical, billing and insurance information.

I also give consent for my Proxy to do these things for me:

- See and send messages to my healthcare team or insurance.
- Update my name, other personal data, and payment or insurance details.
- See who has accessed my medical or health insurance record through My Sanford Chart.
- Get copies of any part of my medical or health insurance record.

I understand and agree:

- My Proxy may have access to behavioral health and alcohol or drug treatment records and/or claims.
- Records given to my Proxy may be given to others and no longer protected.
- My Proxy may have access to non-Sanford medical records incorporated into My Sanford Chart through my use of linked medical record sharing platforms, exchanges, and third-party applications.

Naming a Proxy is my choice and not required. I do not have to give this consent. I will receive care even if I do not sign this consent. I understand that if I do not sign this, access will not be given to my Proxy. If I am over 18, this consent expires 5 years from the date of my signing. If I am a minor, it will expire when I turn 18.

I may take away consent through My Sanford Chart or by mail to the address above. I understand that if I take away consent, my Proxy's access to my health record will end. I understand this will not prevent the release of data already given. I have read and understand this form.
